For investigating the physiology of crop plants and for testing and breeding varieties thereof, \$48,460;

For soil-bacteriology and plant-nutrition investigations, including the testing of samples, procured in the open market, of cultures for inoculating legumes, and if any such samples are found to be impure, nonviable, or misbranded, the results of the tests may be published, together with the names of the manufacturers and of the persons by whom the cultures were offered for sale, \$39,060;

For soil-fertility investigations into organic causes of infertility and remedial measures, maintenance of productivity, properties and composition of soil humus, and the transformation and formation of soil humus by soil organisms, \$35,060;

For acclimatization and adaptation investigations of cotton, corn, and other crops introduced from tropical regions, and for the improve-

ment of cotton and other fiber plants by cultural methods, breeding, and selection, and for determining the feasibility of increasing the production of hard fibers outside of the continental United States, \$104,410: *Provided*, That the limitation in this Act as to the cost of farm buildings be increased to \$2,500 in so far as it applies to this paragraph: *Provided further*, That not less than \$7,500 of this sum may be used for experiments in cottonseed interbreeding: *And provided further*, That of this amount \$3,000 may be used for experiments in the production of New Zealand flax in the United States and for its utilization in the manufacture of binder twine;

For the investigation, testing, and improvement of plants yielding drugs, spices, poisons, oils, and related products and by-products, and for general physiological and fermentation investigations, \$58,820;

For crop technological investigations, including the study of plant-infesting nematodes, \$24,940;

For biophysical investigations in connection with the various lines of work herein authorized, \$32,500;

For studying and testing commercial seeds, including the testing of samples of seeds of grasses, clover, or alfalfa, and lawn-grass seeds secured in the open market, and where such samples are found to be adulterated or misbranded the results of the tests shall be published, together with the names of the persons by whom the seeds were offered for sale, and for carrying out the provisions of the act approved August 24, 1912, entitled "An act to regulate foreign commerce by prohibiting the admission into the United States of certain adulterated grain and seeds unfit for seeding purposes" (Thirty-seventh Statutes at Large, page 506), \$36,680;

For the investigation and improvement of cereals and methods of cereal production, and the study of cereal diseases, and for the investigation of the cultivation and breeding of flax for seed purposes, including a study of flax diseases, and for the investigation and improvement of broom corn and methods of broom-corn production, \$452,505: *Provided*, That \$40,000 shall be set aside for the study of corn improvement and methods of corn production: *Provided also*, That \$100,000 shall be set aside for the investigation and control of the diseases of wheat, oats, and barley known as black rust and stripe rust: *Provided also*, That \$150,000 shall be set aside for the location of and destruction of the barberry bushes and other vegetation from which such rust spores originate: *Provided also*, That \$25,000 shall be set aside for the investigation of corn root and stalk diseases and for the inauguration of such control measures as may be found necessary;

To enable the Secretary of Agriculture to meet the emergency caused by the existence in the United States of flag smut of wheat, take-all, helminthosporium, and other destructive soil and seed infecting diseases of wheat and of other cereals, there is hereby appropriated, out of any moneys in the Treasury not otherwise appropriated, \$50,000, to be used in cooperation with the Plant Disease Survey, investigation, and control authorities of the several States to prevent the further spread of and to eradicate or control these diseases;

For the investigation and improvement of tobacco and the methods of tobacco production and handling, \$32,000;

For the breeding and physiological study of alkali-resistant and drought-resistant crops, \$24,280;

For sugar-plant investigations, including studies of diseases and the improvement of the beet and beet seed, and methods of culture, and to determine for each sugar-beet area the agricultural operations required to insure a stable agriculture, \$94,115: *Provided*, That not less than \$10,000 of this sum shall be used for the development and improvement of American strains of sugar-beet seed and for the establishment of a permanent sugar-beet seed industry in the United States: *Provided further*, That of this sum \$12,500 may be used for investigations in connection with the production of cane and sorghum sirup, including the breeding, culture, and diseases of cane and sorghum, and the utilization of cane and sorghum by-products;

For investigations in economic and systematic botany and the improvement and utilization of wild plants and grazing lands, \$22,200;

For the investigation and improvement of methods of crop production under subhumid, semiarid, or dry-land conditions, \$159,000: *Provided*, That no part of this appropriation shall be used in the free distribution, or propagation for free distribution, of cuttings, seedlings, or trees of willow, box elder, ash, caragana, or other common varieties of fruit, ornamental, or shelter-belt trees in the Northern Great Plains area, except for experimental or demonstration purposes in the States of North and South Dakota west of the one hundredth meridian, and in Montana and Wyoming east of the five-thousand-foot contour line;

For investigations in connection with western irrigation agriculture, the utilization of lands reclaimed under the Reclamation Act, and other areas in the arid and semiarid regions, \$73,580;

For the investigation, improvement, encouragement, and determination of the adaptability to different soils and climatic conditions of pecans, almonds, Persian walnuts, black walnuts, hickory nuts, butternuts, chestnuts, filberts, and other nuts, and for methods of growing, harvesting, packing, shipping, storing, and utilizing the same, \$20,000;

For the investigation and improvement of fruits, and the method of fruit growing, harvesting, and, in cooperation with the Bureau of Markets, studies of the behavior of fruits during the processes of marketing and while in commercial storage, \$83,200: *Provided*, That \$20,000 of said amount may be used for investigating and developing new grape industries and methods of utilizing grapes heretofore used for the production of alcoholic beverages;

To cultivate and care for the gardens and grounds of the Department of Agriculture in the city of Washington, including the keep and lighting of the grounds and the construction, surfacing, and repairing of roadways and walks; and to erect, manage, and maintain conservatories, greenhouses, and plant and fruit propagating houses on the grounds of the Department of Agriculture in the city of Washington, \$11,690;

For horticultural investigations, including the study of producing and harvesting truck and related crops, including potatoes, and, in cooperation with the Bureau of Markets, studies of the behavior of vegetables while in the processes of marketing and in commercial storage, and the study of landscape and vegetable gardening, floriculture, and related subjects, \$73,340;

For continuing the necessary improvements to establish and maintain a general experiment farm and agricultural station on the

Arlington estate, in the State of Virginia, in accordance with the provisions of the Act of Congress approved April 18, 1900, \$21,900: *Provided*, That the limitation in this Act as to the cost of farm buildings shall not apply to this paragraph;

For investigations in foreign seed and plant introduction, including the study, collection, purchase, testing, propagation, and distribution of rare and valuable seeds, bulbs, trees, shrubs, vines, cuttings, and plants from foreign countries and from our possessions, and for experiments with reference to their introduction and cultivation in this country, \$132,700, of which sum the Secretary of Agriculture is authorized to expend \$50,000, or so much thereof as may be necessary, for the purchase of not to exceed fifty acres of suitable land near the city of Washington, District of Columbia, and the erection thereon of all necessary buildings and equipment, and for the establishment of a plant-inspection and detention station: *Provided*, That not to exceed \$10,000 of this sum shall be expended for the purchase of the land: *Provided further*, That the limitation in this Act as to cost of farm buildings shall not apply to this paragraph;

For the purchase, propagation, testing, and distribution of new and rare seeds; for the investigation and improvement of grasses, alfalfa, clover, and other forage crops, including the investigation of the utilization of cacti and other dry-land plants; and to conduct investigations to determine the most effective methods of eradicating weeds, \$139,780: *Provided*, That of this amount not to exceed \$57,800 may be used for the purchase and distribution of such new and rare seeds:

For general administrative expenses connected with the above-mentioned lines of investigation, including the office of the chief of bureau, the assistant chief of bureau, the officers in charge of publications, records, supplies, and property, and for miscellaneous expenses incident thereto, \$29,040;

In all, for general expenses, \$2,529,378.

PURCHASE AND DISTRIBUTION OF VALUABLE SEEDS: For purchase, propagation, testing, and congressional distribution of valuable seeds, bulbs, trees, shrubs, vines, cuttings, and plants; all necessary office fixtures and supplies, fuel, transportation, paper, twine, gum, postal cards, gas, electric current, rent outside of the District of Columbia, official traveling expenses, and all necessary material and repairs for putting up and distributing the same; for repairs and the employment of local and special agents, clerks, assistants, and other labor required, in the city of Washington and elsewhere, \$358,980. And the Secretary of Agriculture is hereby directed to expend the said sum, as nearly as practicable, in the purchase, testing, and distribution of such valuable seeds, bulbs, shrubs, vines, cuttings, and plants, the best he can obtain at public or private sale, and such as shall be suitable for the respective localities to which the same are to be apportioned, and in which same are to be distributed as hereinafter stated, and such seeds so purchased shall include a variety of vegetable and flower seeds suitable for planting and culture in the various sections of the United States: *Provided*, That the Secretary of Agriculture, after due advertisement and on competitive bids, is authorized to award the contract for the supplying of printed packets and envelopes and the packaging, assembling, and mailing of the seeds, bulbs, shrubs, vines, cuttings, and plants, or any part thereof, for a period of not more

than five years nor less than one year, if by such action he can best protect the interests of the United States. An equal proportion of five-sixths of all seeds, bulbs, shrubs, vines, cuttings, and plants, shall upon their request, after due notification by the Secretary of Agriculture, that the allotment to their respective districts is ready for distribution, be supplied to Senators, Representatives, and Delegates in Congress for distribution among their constituents, or mailed by the department upon the receipt of their addressed franks, in packages of such weight as the Secretary of Agriculture and the Postmaster General may jointly determine: *Provided, however,* That upon each envelope or wrapper containing packages of seeds the contents thereof shall be plainly indicated, and the Secretary shall not distribute to any Senator, Representative, or Delegate seeds entirely unfit for the climate and locality he represents, but shall distribute the same so that each Member may have seeds of equal value, as near as may be, and the best adapted to the locality he represents: *Provided also,* That the seeds allotted to Senators and Representatives for distribution in the districts embraced within the twenty-fifth and thirty-fourth parallels of latitude shall be ready for delivery not later than the 10th day of January: *Provided also,* That any portion of the allotments to Senators, Representatives, and Delegates in Congress remaining uncalled for on the 1st day of April shall be distributed by the Secretary of Agriculture, giving preference to those persons whose names and addresses have been furnished by Senators and Representatives in Congress and who have not before during the same season been supplied by the departments: *And provided also,* That the Secretary shall report, as provided in this Act, the place, quantity, and price of seeds purchased, and the date of purchase; but nothing in this paragraph shall be construed to prevent the Secretary of Agriculture from sending seeds to those who apply for the same. And the amount herein appropriated shall not be diverted or used for any other purpose but for the purchase, testing, propagation, and distribution of valuable seeds, bulbs, mulberry and other rare and valuable trees, shrubs, vines, cuttings, and plants.

Total for Bureau of Plant Industry, \$3,379,638

of such woods as may require test to ascertain if they be suitable for making paper, for investigations and tests within the United States of foreign woods of commercial importance to industries in the United States, and for other investigations and experiments to promote economy in the use of forest products, and for commercial demonstrations of improved methods or processes, in cooperation with individuals and companies, \$173,260;

For experiments and investigations of range conditions within national forests or elsewhere on the public range, and of methods for improving the range by reseeding, regulation of grazing, and other means, \$35,000;

For the purchase of tree seed, cones, and nursery stock, for seeding and tree planting within national forests, and for experiments and investigations necessary for such seeding and tree planting, \$145,640: *Provided*, That of this sum the Secretary of Agriculture is authorized to use so much as may be necessary, but not to exceed \$200, to acquire by purchase land now used as a forest nursery site for the Michigan National Forest;

For silvicultural, dendrological, and other experiments and investigations independently or in cooperation with other branches of the Federal Government, with States and with individuals, to determine the best methods for the conservative management of forests and forest lands, \$78,728;

For estimating and appraising timber and other resources on the national forests preliminary to disposal by sale or to the issue of occupancy permits, and for emergency expenses incident to their sale or use, \$80,000;

For other miscellaneous forest investigations, and for collating, digesting, recording, illustrating, and distributing the results of the experiments and investigations herein provided for, \$31,280;

For the construction and maintenance of roads, trails, bridges, fire lanes, telephone lines, cabins, fences, and other improvements necessary for the proper and economical administration, protection, and development of the national forests, \$450,000: *Provided*, That not to exceed \$50,000 may be expended for the construction and maintenance of boundary and range division fences, counting corrals, stock driveways and bridges, the development of stock watering places, and the eradication of poisonous plants on the national forests: *And provided further*, That no part of the money herein appropriated shall be used to pay the transportation or traveling expenses of any forest officer or agent except he be traveling on business directly connected with the Forest Service and in furtherance of the works, aims, and objects specified and authorized in and by this appropriation: *And provided also*, That no part of this appropriation shall be paid or used for the purpose of paying for, in whole or in part, the preparation or publication of any newspaper or magazine article, but this shall not prevent the giving out to all persons without discrimination, including newspaper and magazine writers and publishers, of any facts or official information of value to the public;

In all, for general expenses, \$3,481,209.

To enable the Secretary of Agriculture more effectively to carry out the provisions of the act of March 1, 1911 (Thirty-sixth Statutes, page 961), entitled "An Act to enable any State to cooperate with

any other State or States, or with the United States, for the protection of watersheds of navigable streams, and to appoint a commission for the acquisition of lands for the purpose of conserving the navigability of navigable rivers," \$21,770 of the moneys appropriated therein, or for carrying out its purposes, shall be available for the employment of agents, title attorneys, clerks, assistants, and other labor and for the purchase of supplies and equipment required for the purpose of said Act in the city of Washington.

Total for Forest Service, \$5,966.869.

BUREAU OF CHEMISTRY.

SALARIES, BUREAU OF CHEMISTRY: One chemist, who shall be chief of bureau, \$5,000; one chief clerk, \$2,500; one administrative assistant, \$2,500; three executive clerks, at \$2,000 each; ten clerks, class four; thirteen clerks, class three; two clerks, at \$1,440 each; twenty clerks, class two; one clerk, \$1,300; seventy-five clerks, class one; one clerk, \$1,100; thirteen clerks, at \$1,020 each; fifteen clerks, at \$1,000 each; two multigraph operators, at \$1,000 each; one clerk, \$960; eleven clerks, at \$900 each; two food and drug inspectors, at \$2,500 each; two food and drug inspectors, at \$2,250 each; one food and drug inspector, \$2,120; thirteen food and drug inspectors, at \$2,000 each; thirteen food and drug inspectors, at \$1,800 each; one food and drug inspector, \$1,620; eleven food and drug inspectors, at \$1,600 each; ten food and drug inspectors, at \$1,400 each; one assistant, \$1,600; four laboratory helpers, at \$1,200 each; one laboratory helper, \$1,020; four laboratory helpers, at \$1,000 each; four laboratory helpers, at \$960 each; three laboratory helpers, at \$900 each; seven laboratory helpers, at \$840 each; two laboratory helpers, at \$780 each; twenty-four laboratory helpers or laborers, at \$720 each; twenty-seven laboratory helpers or laborers, at \$600 each; one laboratory assistant, \$1,200; one tool-maker, \$1,200; three samplers, at \$1,200 each; one janitor, \$1,020; one mechanic, \$1,800; two mechanics, at \$1,400 each; one mechanic, \$1,200; one mechanic, \$1,020; one mechanic, \$1,000; one mechanic, \$960; one mechanic, \$900; two student assistants, at \$300 each; two messengers, at \$840 each; one skilled laborer, \$1,050; one skilled laborer, \$840; seven messenger boys, at \$600 each; three messenger boys, at \$540 each; six messenger boys, at \$480 each; three messenger boys, at \$420 each; two messenger boys, at \$360 each; seven laborers, at \$480 each; thirteen charwomen, at \$240 each; in all, \$411,670.

GENERAL EXPENSES, BUREAU OF CHEMISTRY: For all necessary expenses, for chemical apparatus, chemicals and supplies, repairs to apparatus, gas, electric current, official traveling expenses, telegraph and telephone service, express and freight charges, for the employment of such assistants, clerks, and other persons as the Secretary of Agriculture may consider necessary for the purposes named, in the city of Washington and elsewhere, in conducting investigations; collecting, reporting, and illustrating the results of such investigations; and for rent outside of the District of Columbia, for carrying out the investigations and work herein authorized, as follows:

For conducting the investigations contemplated by the Act of May 15, 1862, relating to the application of chemistry to agriculture, \$42,400;

For collaboration with other departments of the Government desiring chemical investigations and whose heads request the Secretary of Agriculture for such assistance, and for other miscellaneous work, \$14,000;

For investigating the character of the chemical and physical tests which are applied to American food products in foreign countries, and for inspecting the same before shipment when desired by the shippers or owners of these products intended for countries where chemical and physical tests are required before the said products are allowed to be sold therein; and for all necessary expenses in connection with such inspection and studies of methods of analysis in foreign countries, \$4,280;

For investigating the preparation for market, handling, grading, packing, freezing, drying, storing, transportation, and preservation of poultry and eggs, and for experimental shipments of poultry and eggs within the United States, in cooperation with the Bureau of Markets and the Bureau of Animal Industry, \$45,000;

For investigating the handling, grading, packing, canning, freezing, storing, and transportation of fish, shrimp, oysters, and other shell fish, and for experimental shipments of fish, for the utilization of waste products, and the development of new sources of food, \$20,000;

For the biological investigation of food and drug products and substances used in the manufacture thereof, including investigations of the physiological effects of such products on the human organism, \$15,000;

For the study and improvement of methods of utilizing by-products of citrus fruits; and the investigation and development of methods for determining maturity in fruits and vegetables, in cooperation with the Bureau of Plant Industry and the Bureau of Markets, \$13,000;

For investigation and experiment in the utilization, for coloring purposes, of raw materials grown or produced in the United States, in cooperation with such persons, associations, or corporations as may be found necessary, including repairs, alterations, improvements, or additions to a building on the Arlington Experimental Farm, \$100,000;

For the investigation and development of methods for the manufacture of table sirup and of methods for the manufacture of sweet sirups by the utilization of new agricultural sources, \$12,000;

For enabling the Secretary of Agriculture to carry into effect the provisions of the Act of June 30, 1906, entitled "An Act for preventing the manufacture, sale, or transportation of adulterated, or misbranded, or poisonous, or deleterious foods, drugs, medicines, and liquors, and for regulating traffic therein, and for other purposes," in the city of Washington and elsewhere, including chemical apparatus, chemicals and supplies, repairs to apparatus, gas, electric current, official traveling expenses, telegraph and telephone service, express and freight charges, and all other expenses, employing such assistants, clerks, and other persons as may be considered necessary for the purposes named, and rent outside of the District of Columbia; and to cooperate with associations and scientific societies in the revision of the United States Pharmacopœia and development of methods of analysis, \$620,221;

For investigating the grading, weighing, handling, transportation, and uses of naval stores, the preparation of definite type samples

thereof, and for the demonstration of improved methods or processes of preparing naval stores, in cooperation with individuals and companies, including the employment of necessary persons and means in the city of Washington and elsewhere, \$10,000;

For the investigation and development of methods of manufacturing insecticides and fungicides, and for investigating chemical problems relating to the composition, action, and application of insecticides and fungicides, \$25,000;

For the study and improvement of methods of dehydrating materials used for food, in cooperation with such persons, associations, or corporations as may be found necessary, and to disseminate information as to the value and suitability of such products for food, \$50,000;

For the investigation and development of methods of utilizing wool-scouring waste, \$9,000;

In all, for general expenses, \$979,901.

Total for Bureau of Chemistry, \$1,391,571.

BUREAU OF SOILS.

SALARIES, BUREAU OF SOILS: One soil physicist, who shall be chief of bureau, \$4,000; one chief clerk, \$2,000; one executive assistant, \$2,000; four clerks, class four; two clerks, class three; five clerks, class two; one clerk, \$1,260; ten clerks, class one; seven clerks, at \$1,000 each; one soil cartographer, \$1,800; one chief draftsman, \$1,600; one soil bibliographer or draftsman, \$1,400; one photographer, \$1,200; five draftsmen, at \$1,200 each; one clerk-draftsman, \$1,200; two draftsmen, at \$1,000 each; one laboratory helper, \$1,000; three laboratory helpers, at \$840 each; one machinist, \$1,440; one machinist, \$1,380; one instrument maker, \$1,200; one machinist's helper, \$900; one messenger, \$840; one messenger or laborer, \$480; two messenger boys, at \$480 each; three laborers, at \$600 each; one laborer, \$300; one charwoman or laborer, \$480; in all, \$74,160.

GENERAL EXPENSES, BUREAU OF SOILS: For all necessary expenses connected with the investigations and experiments hereinafter authorized, including the employment of investigators, local and special agents, assistants, experts, clerks, draftsmen, and labor in the city of Washington and elsewhere; official traveling expenses, materials, tools, instruments, apparatus, repairs to apparatus, chemicals, furniture, office fixtures, stationery, gas, electric current, telegraph and telephone service, express and freight charges, rent outside the District of Columbia, and for all other necessary supplies and expenses, as follows:

For chemical investigations of soil types, soil composition and soil minerals, the soil solution, solubility of soil and all chemical properties of soils in their relation to soil formation, soil texture, and soil productivity, including all routine chemical work in connection with the soil survey, \$25,610;

For physical investigations of the important properties of soil which determine productivity, such as moisture relations, aerations, heat conductivity, texture, and other physical investigations of the various soil classes and soil types, \$12,225;

For exploration and investigation within the United States to determine possible sources of supply of potash, nitrates, and other natural fertilizers, \$31,340.

For the investigation of soils, in cooperation with other branches of the Department of Agriculture, other departments of the Government, State agricultural experiment stations, and other State institutions, and for indicating upon maps and plats, by coloring or otherwise, the results of such investigations, \$198,200;

For examination of soils to aid in the classification of agricultural lands in cooperation with other bureaus of the department and other departments of the Government, \$18,100;

For the investigation and demonstration within the United States to determine the best method of obtaining potash on a commercial scale, \$127,600: *Provided*, That the product obtained from such experimentation may be sold at a price to be determined by the Secretary of Agriculture, and the amount obtained from the sale thereof shall be covered into the Treasury as miscellaneous receipts;

For general administrative expenses connected with the above-mentioned lines of investigation, \$4,000;

In all, for general expenses, \$417,075.

Total for Bureau of Soils, \$491,235.

BUREAU OF ENTOMOLOGY.

SALARIES, BUREAU OF ENTOMOLOGY: One entomologist, who shall be chief of bureau, \$5,000; one chief clerk and executive assistant, \$2,250; one administrative assistant, \$2,250; one editor, \$2,250; one financial clerk, \$1,800; four clerks, class four; seven clerks, class three; sixteen clerks, class two; twenty-two clerks, class one; eight clerks, at \$1,000 each; one insect delineator, \$1,600; two insect delineators, at \$1,400 each; two entomological draftsmen, at \$1,400 each; one entomological draftsman, \$1,080; one photographer, \$1,200; one entomological preparator, \$1,000; four entomological preparators, at \$840 each; eight entomological preparators, at \$720 each; seven entomological preparators, at \$600 each; one laborer, at \$1,080; two messengers or laborers, at \$900 each; one messenger or laborer, \$840; three messengers or laborers, at \$720 each; six messenger boys, at \$480 each; one laborer, \$540; one laborer, \$480; two charwomen, at \$480 each; three charwomen, at \$240 each; in all \$124,010.

GENERAL EXPENSES, BUREAU OF ENTOMOLOGY: For the promotion of economic entomology; for investigating the history and the habits of insects injurious and beneficial to agriculture, horticulture, arboriculture, and the study of insects affecting the health of man and domestic animals, and ascertaining the best means of destroying those found to be injurious; for collating, digesting, reporting, and illustrating the results of such investigations; for salaries and the employment of labor in the city of Washington and elsewhere, rent outside of the District of Columbia, freight, express charges, official traveling expenses, office fixtures, supplies, apparatus, telegraph and telephone service, gas, and electric current, in connection with the following investigations:

For investigations of insects affecting deciduous fruits, orchards, vineyards, and nuts, \$105,780: *Provided*, That \$9,600 of said sum shall be available for the investigation of insects affecting the pecan and method of control of same;

For investigations of insects affecting cereal and forage crops, including a special investigation of the Hessian fly and the chinch bug, \$147,060;

To enable the Secretary of Agriculture to meet the emergency caused by the establishment of the European corn borer in Massachusetts, New York, and other States, and to provide means for the control and prevention of spread of this insect in these States or elsewhere in the United States, in cooperation with the State or States concerned, including rent outside of the District of Columbia, employment of labor in the city of Washington and elsewhere, and all other necessary expenses, \$250,000;

For investigations of insects affecting southern field crops, including insects affecting cotton, tobacco, rice, sugar cane, and so forth, and the cigarette beetle and Argentine ant, \$100,460;

For investigations of insects affecting forests, \$48,790;

For investigations of insects affecting truck crops, including insects affecting the potato, sugar beet, cabbage, onion, tomato, beans, peas, and so forth, and insects affecting stored products, \$134,960;

For investigations and demonstrations in bee culture, \$35,000;

For investigations of insects affecting tropical and subtropical fruits, including insects affecting the orange, lemon, grapefruit, mango, and so forth, \$16,500;

For investigations and control, in cooperation with the Federal Horticultural Board, of the Mediterranean and other fruit flies, \$32,000;

For conducting investigations and study of the nature and habits of the pest known as the camphor thrip, for the purpose of discovering methods of control and applying methods of eradication or control already discovered, \$5,000;

For investigations, identification, and systematic classification of miscellaneous insects, including the study of insects affecting the health of man and domestic animals, household insects, and the importation and exchange of useful insects, \$62,330;

For general administrative expenses connected with above lines of investigation, and for miscellaneous expenses incident thereto, \$5,480;

In all, for general expenses, \$943,300.

PREVENTING SPREAD OF MOTHS, BUREAU OF ENTOMOLOGY: To enable the Secretary of Agriculture to meet the emergency caused by the continued spread of the gypsy and brown tail moths by conducting such experiments as may be necessary to determine the best methods of controlling these insects; by introducing and establishing the parasites and natural enemies of these insects and colonizing them within the infested territory; by establishing and maintaining a quarantine against further spread in such manner as is provided by the general nursery-stock law, approved August 20, 1912, as amended, entitled "An Act to regulate the importation of nursery stock and other plants and plant products, to enable the Secretary of Agriculture to establish and maintain quarantine districts for plant diseases and insect pests, to permit and regulate the movements of fruits, plants, and vegetables therefrom, and for other purposes," in cooperation with the authorities of the different States concerned and with the several State experiment stations, including rent outside of the District of Columbia, the employment of labor in the city of Washington and elsewhere, and all other necessary expenses, \$304,050.

Total for Bureau of Entomology, \$1,371,360.

BUREAU OF BIOLOGICAL SURVEY.

SALARIES, BUREAU OF BIOLOGICAL SURVEY: One biologist, who shall be chief of bureau, \$4,000; one chief clerk and executive assistant, \$1,800; one administrative assistant, \$2,250; one executive assistant, \$1,800; one financial clerk, \$1,600; three clerks, class three; six clerks, class two; one clerk, \$1,260; ten clerks, class one; one clerk, \$1,100; one clerk, \$1,080; three clerks, at \$1,000 each; four clerks, at \$900 each; one clerk, \$840; one clerk, \$720; one preparator, \$1,200; one preparator, \$900; one messenger, \$720; one photographer, \$1,300; one game warden, \$1,200; two messenger boys, at \$480 each; one messenger boy, \$360; one laborer, \$600; two charwomen, at \$240 each; in all, \$55,970.

GENERAL EXPENSES, BUREAU OF BIOLOGICAL SURVEY: For salaries and employment of labor in the city of Washington and elsewhere, furniture, supplies, traveling, and all other expenses necessary in conducting investigations and carrying out the work of the bureau, as follows:

For the maintenance of the Montana National Bison Range and other reservations and for the maintenance of game introduced into suitable localities on public lands, under supervision of the Biological Survey, including construction of fencing, wardens' quarters, shelters for animals, landings, roads, trails, bridges, ditches, telephone lines, rockwork, bulkheads, and other improvements necessary for the economical administration and protection of the reservations, and for the enforcement of section 84 of the Act approved March 4, 1909, entitled "An Act to codify, revise, and amend the penal laws of the United States," \$34,600, of which sum \$2,500 may be used for the purchase, capture, and transportation of game for national reservations;

For the improvement of the game preserves in Sullys Hill National Park, in the State of North Dakota, including the construction of all fences, sheds, buildings, corrals, roads, shelters, and other structures which may be necessary for the protection of game or for the use of visitors, in addition to the amount heretofore appropriated, \$5,000, the same to be available until expended;

For investigating the food habits of North American birds and mammals in relation to agriculture, horticulture, and forestry, including experiments and demonstrations in destroying wolves, coyotes, prairie dogs, gophers, and other animals injurious to agriculture and animal husbandry, and for investigations and experiments in connection with rearing of fur-bearing animals, including mink and marten, \$464,440: *Provided*, That of this sum \$15,000 shall be used for the destruction of ground squirrels on the national forests, and other public lands: *And provided also*, That of this sum not less than \$123,800 shall be used on the national forests and the public domain in destroying wolves, coyotes, and other animals injurious to agriculture, animal husbandry, and wild game: *And provided further*, That of this sum not more than \$125,000 shall be used on the public lands, national forests, and elsewhere in the Western and Northwestern States for the protection of stock and other domestic animals through the suppression of rabies by the destruction of wolves, coyotes, and other predatory wild animals;

For all necessary expenses for enforcing the provisions of the migratory-bird treaty act of July 3, 1918 (Public, Numbered 186, Sixty-fifth Congress), and for cooperation with local authorities in the protection of migratory birds, and for necessary investigations connected therewith, \$147,000: *Provided*, That of this sum not more than \$22,000 may be used for the enforcement of sections 241, 242, 243, and 244 of the Act approved March 4, 1909, entitled "An Act to codify, revise, and amend the penal laws of the United States," and for the enforcement of section 1 of the Act approved May 25, 1900, entitled "An Act to enlarge the powers of the Department of Agriculture, prohibit the transportation by interstate commerce of game killed in violation of local laws, and for other purposes," including all necessary investigations in connection therewith;

For general administrative expenses connected with the above-mentioned lines of work, including cooperation with other Federal bureaus, departments, boards, and commissions, on request from them, \$10,760;

In all, for general expenses, \$686,200.

Total for Bureau of Biological Survey, \$742,170.

DIVISION OF ACCOUNTS AND DISBURSEMENTS.

SALARIES, DIVISION OF ACCOUNTS AND DISBURSEMENTS: One chief of division and disbursing clerk, \$4,000; one supervising auditor, \$2,250; one cashier and chief clerk, \$2,250; one deputy disbursing clerk, \$2,000; one accountant and bookkeeper, \$2,000; two clerks, class four; four clerks, class three; six clerks, class two; seven clerks, class one; four clerks, at \$1,000 each; one messenger, \$720; one messenger boy, \$600.

Total for Division of Accounts and Disbursements, \$44,620.

DIVISION OF PUBLICATIONS.

SALARIES, DIVISION OF PUBLICATIONS: One chief of division, \$3,500; one chief editor, \$3,000; one assistant chief of division, \$2,500; one superintendent of distribution, \$2,500; one chief clerk, \$2,000; one assistant, \$2,000; one assistant, \$1,400; one assistant in charge of indexing, \$2,000; one indexer, \$1,400; one assistant in charge of illustrations, \$2,100; two draftsmen or photographers, at \$1,600 each; two draftsmen or photographers, at \$1,500 each; three draftsmen or photographers, at \$1,400 each; one draftsman or photographer, \$1,300; ten draftsmen or photographers, at \$1,200 each; one assistant photographer, at \$900; one lantern-slide colorist, \$840; one laboratory aid, \$270; one assistant in charge of document section, \$2,000; one assistant in document section, \$1,800; one assistant in document section, \$1,400; one foreman, miscellaneous distribution, \$1,500; one clerk, class three; two clerks, class two; ten clerks, class one; sixteen clerks, at \$1,000 each; forty clerks, at \$900 each; twenty-one clerks, at \$840 each; five machine operators, at \$1,200 each; five skilled laborers, at \$1,000 each; two skilled laborers, at \$900 each; seven skilled laborers, at \$840 each; four skilled laborers, at \$780 each; one chief folder, \$1,200; one messenger or laborer, \$900; thirteen

messengers or laborers, at \$720 each; one skilled laborer, \$720; one folder, \$1,000; two folders, at \$900 each; two skilled laborers, at \$1,100 each; one skilled laborer, \$1,000; two messengers, at \$840 each; seven messenger boys, at \$720 each; three messenger boys, at \$600 each; two messenger boys, at \$480 each; two messenger boys, at \$420 each; two messenger boys, at \$360 each; one laborer, \$840; two laborers, at \$600 each; three charwomen, at \$480 each; three charwomen, at \$240 each; in all, \$196,520.

GENERAL EXPENSES, DIVISION OF PUBLICATIONS: For miscellaneous objects of expenditure in connection with the publication, indexing, illustration, and distribution of bulletins, documents, and reports, as follows:

For labor-saving machinery, including necessary supplies, \$5,000;

For envelopes, stationery, and materials, \$7,500;

For office furniture and fixtures, \$1,320;

For photographic equipment and for photographic materials and artists' tools and supplies, \$22,000: *Provided*, That the Secretary of Agriculture is authorized, under such rules and regulations and subject to such conditions as he may prescribe, to loan, rent, or sell copies of films: *Provided*, That in the sale or rental of films educational institutions or associations for agricultural education not organized for profit shall have preference; all moneys received from such rentals or sales to be covered into the Treasury of the United States as miscellaneous receipts;

For telephone and telegraph service and freight and express charges, \$750;

For wagons, motor trucks, bicycles, horses, harness, and maintenance of the same, \$1,000;

For purchase of manuscripts, traveling expenses, electrotypes, illustrations, and other expenses not otherwise provided for, \$4,000;

For extra labor and emergency employments in the District of Columbia, \$2,500;

In all, for general expenses, \$44,070.

Total for Division of Publications, \$240,590.

BUREAU OF CROP ESTIMATES.

SALARIES, BUREAU OF CROP ESTIMATES: One statistician, who shall be chief of bureau, \$4,000; one chief clerk, \$1,800; six clerks, class four; nine clerks, class three; fifteen clerks, class two; one clerk, \$1,300; twenty-four clerks, class one; nineteen clerks, at \$1,000 each; twenty-four clerks, at \$900 each; one messenger, \$840; three messengers or laborers, at \$720 each; three messenger boys, at \$660 each; one messenger boy, \$480; one charwoman, \$540; one charwoman, \$360; in all, \$129,060.

GENERAL EXPENSES, BUREAU OF CROP ESTIMATES: For all necessary expenses for collecting, compiling, abstracting, analyzing, summarizing, and interpreting data relating to agriculture; for making and publishing periodically crop and live-stock estimates, including acreage, yield, and value of farm products, as follows:

Salaries and employment of labor in the city of Washington and elsewhere, supplies, telegraph and telephone service, freight and express charges, and all other necessary miscellaneous administrative expenses, \$25,480;

Salaries, travel, and other necessary expenses of employees out of the city of Washington engaged in field investigations, \$216,562;
 In all, for general expenses, \$242,042.
 Total for Bureau of Crop Estimates, \$371,102.

LIBRARY, DEPARTMENT OF AGRICULTURE.

SALARIES, LIBRARY, DEPARTMENT OF AGRICULTURE: One librarian, \$2,000; one clerk, class three; one clerk, class two; five clerks, class one; three clerks, at \$1,080 each; three clerks, at \$1,020 each; four clerks, at \$1,000 each; six clerks, at \$900 each; one clerk, \$840; one messenger, \$720; one messenger boy, \$660; three messenger boys, at \$600 each; one messenger boy, \$480; two charwomen, at \$480 each; in all, \$32,160.

GENERAL EXPENSES, LIBRARY: For books of reference, law books, technical and scientific books, papers and periodicals, and for expenses incurred in completing imperfect series; for the employment of additional assistants in the city of Washington and elsewhere; for official traveling expenses, and for library fixtures, library cards, supplies, and for all other necessary expenses, \$18,000.

Total for Library, \$50,160.

MISCELLANEOUS EXPENSES.

Total, Department of Agriculture, for routine and ordinary work, \$31,355,811.

MISCELLANEOUS.

DEMONSTRATIONS ON RECLAMATION PROJECTS: To enable the Secretary of Agriculture to encourage and aid in the agricultural development of the Government reclamation projects; to assist, through demonstrations, advice, and in other ways, settlers on the projects; and for the employment of persons and means necessary in the city of Washington and elsewhere, \$48,600.

COOPERATIVE FIRE PROTECTION OF FORESTED WATERSHEDS OF NAVIGABLE STREAMS: For cooperation with any State or group of States in the protection from fire of the forested watersheds of navigable streams under the provisions of section 2 of the Act of March 1, 1911, entitled "An Act to enable any State to cooperate with any other State or States, or with the United States, for the protection of the watersheds of navigable streams, and to appoint a commission for the acquisition of lands for the purpose of conserving the navigability of navigable rivers," \$100,000.

EXPERIMENTS AND DEMONSTRATIONS IN LIVE-STOCK PRODUCTION IN THE CANE-SUGAR AND COTTON DISTRICTS OF THE UNITED STATES: To enable the Secretary of Agriculture, in cooperation with the authorities of the States concerned, or with individuals, to make such investigations and demonstrations as may be necessary in connec-

tion with the development of live-stock production in the cane-sugar and cotton districts of the United States, including the erection of barns and other necessary buildings, and the employment of persons and means in the city of Washington and elsewhere, \$60,000.

EXPERIMENTS IN DAIRYING AND LIVE-STOCK PRODUCTION IN SEMI-ARID AND IRRIGATED DISTRICTS OF THE WESTERN UNITED STATES: To enable the Secretary of Agriculture to conduct investigations and experiments in problems connected with the establishment of dairying and meat-production enterprises on the semiarid and irrigated lands of the western United States, including the purchase of live stock, the erection of barns and other necessary buildings, and the employment of necessary persons and means in the city of Washington and elsewhere, \$40,000.

That not to exceed \$75,000 of the lump-sum appropriations herein made for the Department of Agriculture shall be available for the purchase, maintenance, repair, and operation of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of the field work of the Department of Agriculture outside the District of Columbia: *Provided*, That not to exceed \$15,000 of this amount shall be expended for the purchase of such vehicles, and that such vehicles shall be used only for official service outside the District of Columbia, but this shall not prevent the continued use for official service of motor trucks in the District of Columbia: *Provided further*, That the Secretary of Agriculture shall, on the first day of each regular session of Congress, make a report to Congress showing the amount expended under the provisions of this paragraph during the preceding fiscal year.

ERADICATION OF FOOT-AND-MOUTH AND OTHER CONTAGIOUS DISEASES OF ANIMALS: In case of an emergency arising out of the existence of foot-and-mouth disease, rinderpest, contagious pleuropneumonia, or other contagious or infectious disease of animals which, in the opinion of the Secretary of Agriculture, threatens the live-stock industry of the country, he may expend in the city of Washington or elsewhere, out of any money in the Treasury not otherwise appropriated, the sum of \$1,000,000, which sum is hereby appropriated, or so much thereof as he determines to be necessary, in the arrest and eradication of any such disease, including the payment of claims growing out of past and future purchases and destruction, in cooperation with the States, of animals affected by or exposed to, or of materials contaminated by or exposed to, any such disease, wherever found and irrespective of ownership, under like or substantially similar circumstances, when such owner has complied with all lawful quarantine regulations: *Provided*, That the payment for animals hereafter purchased may be made on appraisement based on the meat, dairy, or breeding value, but in case of appraisement based on breeding value no appraisement of any animal shall exceed three times its meat or dairy value, and except in case of an extraordinary emergency, to be determined by the Secretary of Agriculture, the payment by the United States Government for any animal shall not exceed one-half of any such appraisements: *Provided further*, That so much of the appropriation of \$2,500,000 made by the Agricultural Appropriation Act of March 4, 1915, for the fiscal year ending June 30, 1916, for the arrest and eradication of foot-and-mouth disease, rinderpest, contagious pleuropneumonia, or other contagious or

infectious disease of animals, as remains unexpended at the close of the fiscal year 1919, is hereby reappropriated and made available for expenditure during the fiscal year ending June 30, 1920, for the objects mentioned in said appropriation Act, including necessary investigations to determine whether said diseases have been completely eradicated in districts where they previously existed.

ERADICATION OF PINK BOLLWORM: To enable the Secretary of Agriculture to meet the emergency caused by the existence of the pink bollworm of cotton in Mexico, and to prevent the establishment of such insect in the United States by the employment of all means necessary, including rent outside of the District of Columbia and the employment of persons and means in the city of Washington and elsewhere, \$595,800, as follows:

To prevent the movement of cotton and cotton seed from Mexico into the United States, including the regulation of the entry into the United States of railway cars and other vehicles, and freight, express, baggage, or other materials from Mexico, and the inspection, cleaning, and disinfection thereof, \$148,560; any moneys received in payment of charges fixed by the Secretary of Agriculture on account of such cleaning and disinfection at plants constructed therefor out of any appropriation made on account of the pink bollworm of cotton to be covered into the Treasury as miscellaneous receipts;

To make surveys to determine the actual distribution of the pink bollworm in Mexico and to exterminate local infestations in Mexico near the border of the United States, in cooperation with the Mexican Government or local Mexican authorities, \$25,000;

To investigate in Mexico or elsewhere the pink bollworm as a basis for control measures, \$25,000;

To conduct surveys and inspections in Texas or in any other State to detect any infestation and to conduct such control measures, including the establishment of cotton-free areas, in cooperation with the State of Texas or other States concerned, as may be necessary to stamp out such infestation, to establish in cooperation with the States concerned a zone or zones free from cotton culture on or near the border of any State or States adjacent to Mexico, and to cooperate with the Mexican Government or local Mexican authorities, or otherwise, by undertaking in Mexico such measures for the extermination of the pink bollworm of cotton as shall be determined to be practicable from surveys showing its distribution, \$397,240: *Provided*, That no part of the money herein appropriated shall be used to pay the cost or value of crops or other property injured or destroyed.

That hereafter the Secretary of Agriculture may, in his discretion and under such conditions as he may prescribe, supply to any municipality or public institution not more than one American bison from any surplus which may exist in any herd under the control of the Department of Agriculture; and, in order to aid in the propagation of the species, animals may be loaned to or exchanged with other owners of American bison.

That, in order to carry out the purposes mentioned in section 3 of the Act entitled "An Act to enable any State to cooperate with any other State or States, or with the United States for the protection of the watersheds of navigable streams, and to appoint a commission for the acquisition of lands for the purpose of conserving the navigability of navigable rivers," approved March 1, 1911 (Thirty-sixth

Statutes at Large, page 961), as amended, there is hereby appropriated, out of any moneys in the Treasury not otherwise appropriated, available until expended, the sum of \$600,000 for the fiscal year ending on the 30th day of June, 1920.

Whenever, during the fiscal year ending June 30, 1920, the Secretary of Agriculture shall find that the expenses of travel can be reduced thereby, he may, in lieu of actual traveling expenses, under such regulations as he may prescribe, authorize the payment of not to exceed 3 cents per mile for a motor cycle or 7 cents per mile for an automobile, used for necessary travel on official business.

That hereafter in carrying on the activities of the Department of Agriculture involving cooperation with State, county and municipal agencies, associations of farmers, individual farmers, universities, colleges, boards of trade, chambers of commerce, or other local associations of business men, business organizations, and individuals within the State, Territory, district or insular possession in which such activities are to be carried on, moneys contributed from such outside sources, except in the case of the authorized activities of the Forest Service, shall be paid only through the Secretary of Agriculture or through State, county or municipal agencies, or local farm bureaus or like organizations, cooperating for the purpose with the Secretary of Agriculture.

The officials and the employees of the Department of Agriculture engaged in the activities described in the preceding paragraph and paid in whole or in part out of funds contributed as provided therein, and the persons, corporations, or associations making contributions as therein provided, shall not be subject to the proviso contained in the Act making appropriations for the legislative, executive, and judicial expenses of the Government for the fiscal year ending June 30, 1918, and for other purposes, approved March 3, 1917, in Thirty-ninth Statutes at Large, at page 1106; nor shall any official or employee engaged in the cooperative activities of the Forest Service, or the persons, corporations, or associations contributing to such activities be subject to the said proviso.

To enable the Secretary of Agriculture to make suitable agricultural exhibits at State, interstate, and international fairs held within the United States, including the National Dairy Show to be held at Chicago, Illinois, during the fiscal year ending June 30, 1920, \$100,000: *Provided*, That not more than \$25,000 shall be used in connection with the National Dairy Show to be held at Chicago, Illinois, and that not more than \$5,000 shall be used in connection with any other one fair.

That the President is hereby authorized to extend invitations to other Nations to appoint delegates or representatives to the International Farm Congress to be held at Kansas City, Missouri, in September, 1919.

That the President is hereby authorized to extend invitations to all nations of the world interested in the manufacturing or raising of cotton to appoint delegates or representatives to the World Cotton Conference to be held at New Orleans, Louisiana, October 13, 14, 15, and 16, 1919: *Provided*, That no appropriation shall be granted for the expenses of such delegates or for any other expenses incurred in connection with said conference.

That the word "package" where it occurs the second and last time in the act entitled "An act to amend section 8 of an act entitled, 'An act for preventing the manufacture, sale, or transportation of adulterated or misbranded or poisonous deleterious foods, drugs, medicines, and liquors, and for regulating traffic therein, and for other purposes,'" approved March 3, 1913, shall include and shall be construed to include wrapped meats inclosed in papers or other materials as prepared by the manufacturers thereof for sale.

That any homestead settler or entryman who, during the calendar year 1919, finds it necessary to leave his homestead to seek employment in order to obtain food and other necessities of life for himself, family, and work stock, because of great and serious drought conditions, causing total or partial failures of crops, may, upon filing with the register and receiver proof of such conditions in the form of a corroborated affidavit, be excused from residence upon his homestead during all or part of the calendar year 1919, or the current year of such homestead which may fall principally in the year 1919, and in the making of final proof upon such an entry absence granted under this Act shall be counted and construed as constructive residence by said homesteader.

Total carried by this bill for the Department of Agriculture, \$33,900,211.

Approved, July 24, 1919.

AGR.
